Local Heroes Luncheon

Support for Our First Responders

Despite a rainy afternoon, Strong Castle Outreach hosted its inaugural Local Heroes Luncheon, a heartwarming event that brought together volunteers, local businesses, and city officials to show appreciation for the dedicated men and women of the Fort Worth Police Department.

Held at the Fort Worth Police Department, the luncheon was a collaborative effort between Strong Castle Outreach, Cold Blue, Fort Worth 5 Loaves and 2 Fish Outreach, and City Council Member Jeanette Martinez of District 11. With over 25 volunteers came together to prepare and serve a delicious meal to our police officers, showcasing the community's gratitude for their tireless service. A special thanks goes also to member of Grace Metropolitan Church for providing necessary cutlery, plates, and food pans.

"We wanted to take a moment to express our gratitude and appreciation for all that the Fort Worth Police Department and Officers do to keep our community safe. With the hope that this small gesture brought a smile to the faces and a moment of comfort during their busy day.

We understand the sacrifices and challenges that come with serving in law enforcement, and we wanted to make sure our Officers knew that we value and respect their bravery and hard work.," said KeRon White, Executive Director of Strong Castle Outreach. "Our police officers put their lives on the line every day to keep us safe, and it's our privilege to show them how much we appreciate their dedication."

The event featured a buffet-style lunch, complete with a variety of dishes prepared by the Founders of Strong Castle Outreach. City Council Member Jeanette Martinez was in attendance, addressing the officers and expressing her support for their vital work.

"I am proud to be a part of this event and show my appreciation for the brave men and women of the Fort Worth Police Department," said Council Member Martinez. "Their commitment to our community is unwavering, and we are grateful for their service."

The Local Heroes Luncheon marks the beginning of Strong Castle Outreach's efforts to recognize and support local heroes throughout the year. The organization plans to host similar events, highlighting the important work of firefighters, emergency medical technicians, and other first responders.

Bringing Joy and Support to Local Families in Need

Fort Worth, TX - Strong Castle Outreach's G.I.F.T. (Give. Impact. Family. Thrive) Program aims to demonstrate its commitment to supporting local families in need, distributing over 500 essential care packages and allocated recourses to those who need it most.

The G.I.F.T. Program, launched in late 2023, aims to provide critical resources and support to families struggling to make ends meet. Through generous donations and volunteer efforts, the program will be able to distribute care packages containing essential items such as food, toiletries, clothing, and household goods.

"We are thrilled to see the impact of the G.I.F.T. Program in our community," said KeRon White, Founder and Executive Director of Strong Castle Outreach. "Our goal is to not only provide temporary support, but also empower families to thrive and break the cycle of poverty."

Recipients of the care packages include families facing financial hardship, homelessness, and other challenges. The program's focus on providing both physical and emotional support has made a tangible difference in the lives of those served.

"I was struggling to make ends meet and provide for my family," said Maria, a single mother of three who received a care package. "The G.I.F.T. Program's support has been a blessing, helping us get back on our feet and giving us hope for a brighter future."

Strong Castle Outreach relies on donations and volunteer support to continue the G.I.F.T. Program's vital work. Those interested in contributing can visit the organization's website or social media channels for more information.
