Home Depot Partnership Painting A Brighter Future

In a heartwarming display of corporate social responsibility, Home Depot has partnered with Strong Castle Outreach to support our "Painting A Brighter Future Program". This generous contribution has provided us with the means to purchase the painting supplies necessary to bring joy and beauty to the homes of those in need.

Through this program, our volunteers will be able to provide free painting services to low-income families, seniors, and individuals with disabilities, transforming their living spaces and improving their overall quality of life.

"We are thrilled to have Home Depot on board as a partner in our mission to make a positive impact in our community," said KeRon White, Founder and CEO of Strong Castle Outreach. "Their support will enable us to make a tangible difference in the lives of those we serve, and we are truly grateful."

With Home Depot's support, we will be able to:

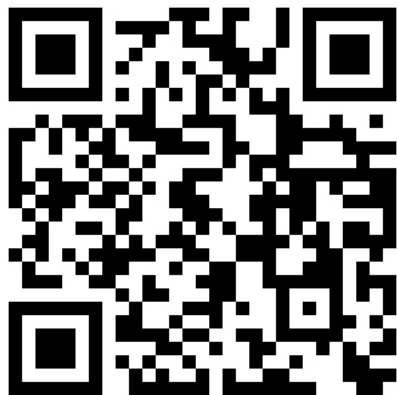

- Provide free painting services to over 50 families in need
- Transform living spaces with fresh coats of paint and vibrant colors
- Improve the overall quality of life for seniors, individuals with disabilities, and low-income families

"We would like to extend a special thank you to Home Depot for their generosity and commitment to giving back to the community," said Myeisha Ross, Co-Founder and Treasurer of Strong Castle Outreach. "Together, we can make a difference and paint a brighter future for those we serve!"

Strong Castle Outreach's G.I.F.T. Program

Bringing Joy and Support to Local Families in Need

Fort Worth, TX - Strong Castle Outreach's G.I.F.T. (Give. Impact. Family. Thrive) Program aims to demonstrate its commitment to supporting local families in need, distributing over 500 essential care packages and allocated resources to those who need it most.

The G.I.F.T. Program, launched in late 2023, aims to provide critical resources and support to families struggling to make ends meet. Through generous donations and volunteer efforts, the program will be able to distribute care packages containing essential items such as food, toiletries, clothing, and household goods.

"We are thrilled to see the impact of the G.I.F.T. Program in our community," said KeRon White, Founder and Executive Director of Strong Castle Outreach. "Our goal is to not only provide temporary support, but also empower families to thrive and break the cycle of poverty."

Recipients of the care packages include families facing financial hardship, homelessness, and other challenges. The program's focus on providing both physical and emotional support has made a tangible difference in the lives of those served.

"I was struggling to make ends meet and provide for my family," said Maria, a single mother of three who received a care package. "The G.I.F.T. Program's support has been a blessing, helping us get back on our feet and giving us hope for a brighter future."

Strong Castle Outreach relies on donations and volunteer support to continue the G.I.F.T. Program's vital work. Those interested in contributing can visit the organization's website or social media channels for more information.

Strong Castle Outreach's G.I.F.T. Program aims to reach more than 2,000 families within the first year with the support of many volunteers and local NPO's.

Strong Castle Outreach Now an Active Diaper Bank

Distributing Diapers through G.I.F.T Program

Strong Castle Outreach (SCO), a non-profit organization dedicated to empowering families and strengthening neighborhoods, is proud to announce its new initiative as an active Diaper Bank. This milestone marks a significant expansion of SCO's services, addressing a critical need in the community.

As a Diaper Bank, SCO aims to provide a reliable source of diapers for families struggling to access this essential item. Diapers are a vital necessity for infants and toddlers, and their unavailability can lead to health issues, stress, and financial burdens on families. SCO's Diaper Bank seeks to bridge this gap, ensuring that no family has to choose between basic needs and a happy, healthy baby.

The Diaper Bank will operate through SCO's existing G.I.F.T (Give. Impact. Family. Thrive) Program, which focuses on providing goods and services to those in need. The G.I.F.T Program has already made a significant impact in the community, and the addition of diaper distribution will further enhance its reach and effectiveness.

Through the G.I.F.T Program, SCO will distribute diapers to families in need, partnering with local organizations, churches, and community groups to reach a broader audience. The diapers will be available in various sizes, catering to infants and toddlers from birth to age three.

"We are thrilled to launch this new initiative, addressing a critical need in our community," said Ke-Ron White, Founder and CEO of SCO. "As a Diaper Bank, we aim to provide a safety net for families, ensuring that every child has access to clean, dry diapers. We believe this will have a profound impact on the health, well-being, and dignity of our community's youngest members." Visit www.mysco.org to learn more.

“SCO Food and Clothing Giveaway a Heartwarming Display of Community Support”

On May 18th, from 3-5 pm, Strong Castle Outreach (SCO) hosted a food and clothing giveaway event that brought together individuals and families from across the community. The event, held in the parking lot at 3716 E Rosedale St. Fort Worth, Tx 76105 aimed to provide essential groceries and clothing to those in need, and it did so with remarkable success.

The event was a heartwarming display of community support, with people from all walks of life coming together to help those in need. Volunteers worked tirelessly to ensure that everyone received a fair share of groceries and clothing, and the atmosphere was filled with kindness, compassion, and gratitude.

“A Journey of Empowerment”: A Documentary Celebrating Strong Castle Outreach's Impact

Strong Castle Outreach (SCO) is proud to announce the production of a documentary titled "A Journey of Empowerment," showcasing the organization's tireless efforts to empower families and strengthen neighborhoods in the Fort Worth community.

This documentary takes viewers on a heartfelt journey, highlighting the personal stories of individuals and families whose lives have been transformed through SCO's programs and services. From mentorship and education to community outreach and support, the documentary demonstrates the organization's commitment to creating a brighter future for all.

Through interviews with SCO's founders, staff, volunteers, and community partners, "A Journey of Empowerment" provides a glimpse into the organization's history, mission, and values. The documentary also features footage of SCO's events, programs, and activities, showcasing the impact of their work in the community.

By sharing these stories and experiences, the documentary aims to:

- Inspire others to get involved and make a difference
- Showcase the innovation and dedication of SCO's team and partners
- Leave a long-lasting legacy for future generations

"A Journey of Empowerment" is an ongoing project, with filming and interviews taking place throughout the year. We invite anyone who has been impacted by SCO's work to share their story and be a part of this powerful narrative.

Join us on this journey of empowerment and be a part of something truly special! If you're interested in participating in the documentary or learning more about SCO's work, please contact us at [insert contact information].

Let's celebrate the power of community and the impact that can be made when we work together to empower and uplift one another.

“Strong Castle Founders Attended Conference in Support of Community Champions.”

On May 10th, the founders of Strong Castle Outreach (SCO) attended a conference in Lewisville, Texas, to show their support for two remarkable women who are making a difference in their communities. Debra Nickerson, Founder and CEO of "Fort Worth 5 Loaves and 2 Fish Outreach," and Malissa Dent, Founder and CEO of "Lunch Box of Love," were both honored with an award from World Trumpet TV Network for their tireless work in serving others.

The conference, which brought together community leaders and organizations from across the region, provided a platform for Debra and Malissa to share their stories and inspire others to make a positive impact. The SCO founders were among the many attendees who were moved by their testimonies and accomplishments.

"We are thrilled to support Debra and Malissa, who are shining examples of selflessness and dedication," said KeRon White, Founder and CEO, SCO. "Their work is a testament to the power of compassion and the difference one person can make in the lives of others."

Debra Nickerson's "Fort Worth 5 Loaves and 2 Fish Outreach" has been providing food, clothing, and other essential items to those in need in the Fort Worth area for over a decade. Malissa Dent's "Lunch Box of Love" has been serving the Arlington community by providing free lunches, groceries, and many other essential needs to families and individuals struggling to make ends meet. The honor award from World Trumpet TV Network recognizes their outstanding contributions to their communities and their unwavering commitment to serving others.

The SCO founders congratulated Debra and Malissa on their well-deserved award and expressed their gratitude for the opportunity to support them at the conference. They also encouraged others to get involved and make a difference in their own communities. "Debra and Malissa are true heroes and a reminder that we all have the power to make a positive impact in the world around us," said SCO Co-Founder, Myeisha Ross. "We are honored to support them and look forward to continuing our work together to empower families and strengthen neighborhoods."
